Dr. Mr. \_\_\_\_\_

Cine Musicians' Association (CMA) is working hard towards welfare of our members and their families for decades. We appreciate the selfless efforts of our all previous managing committee members for their tireless efforts year after year for the betterment of all members who have become old and/or are without work or less work due to poor health and other reasons.

As you are aware that working environment in our music industry has changed in recent years, due to this many of our members are not getting proper work and are facing difficulties to look after their families in regard of education, medical and other issues. Many of our members are getting less or no work, at the same time some of our members are doing very well who have taken their careers as music arrangers, music programmers and music directors.

We, the present managing committee, have taken an initiative to create a corpus fund for the welfare of very needy members. We are very proud to announce that one of our senior members Mr. J. V. Acharya ji have donated Rs. One Lakh, our present President Mr. Bhushan Chawla have also donated Rs. One Lakh, we also have received donation from many other members and donars. Mr. Amar Haldipur has assured to help needy members for their health and educational needs. We welcome the gesture of the above mentioned members.

Few of our members are facing this grave situation and one never knows who will be next. CMA tries to help all the eligible members but as running with very low funds all members are not getting the due help. We take this opportunity to request capable donars and our members to help us make this fund a great success by donating any amount. Our initial target is to collect Rs. Ten Lakhs, be kind enough to give away a small percentage of your income and take the blessings of our needy members. Kindly fill up the donation form and oblige our own brothers.

Thanks You.
